The Property.

Thelma's Mooring is insured for and accommodates 6 people and one well behaved dog. The property will be thoroughly cleaned and is in an excellent state of repair and should be left in the same condition when the cabin is vacated. One well behaved dog should be confined to the living area, and not use the furniture! We provide a garden tether and waste bags. The owner reserves the right to ask occupants to leave immediately if the maximum number of six people is exceeded and if she feels the hirers are unsuitable to occupy the property or are breaching the Terms and Conditions.

House towels, Bed linen and towels are included in the rental price of the cabin. A supply of logs and kindling are provided. Other electric heaters are controlled from the electric meter (which takes £1/2 coins) located in the lobby.

Breakdown and maintenance issues will be treated with the utmost diligence. However, the owner cannot be held responsible for situations beyond their control. The owner may require access to the Cabin to rectify any maintenance issues. Also our Gardener may visit to cut grass or attend to the surrounding grounds. Please bear with him, as he is weather dependant and will endeavour to cause minimum disruption to your holiday.
